### Adoption Agreement

By adopting from Safe Haven, you agree to integrate the animal(s) listed below into your family as companion(s). Your signature indicates your agreement to adhere to these guidelines for their care and housing. Failure to comply with any of these conditions will void this agreement, and the animal(s) must be returned to Safe Haven.

1. If the animal has not already been spayed or neutered, you agree to have it performed within one month of this agreement, and provide a copy of the neutering certificate to Safe Haven.
2. If you're adopting a cat, you agree not to declaw. There are many ways to deter a cat from clawing furniture. Suggestions are included in your adoption packet.
3. The cat must be indoor-only.
4. You must provide enough quality food to keep this animal fit and in good health.
5. This animal must not be sold, given away or transferred to any person not named on this agreement. If you are no longer able to keep the animal(s), they must be returned to Safe Haven.
6. Your adoption has a two week trial period which starts at the date below, in which you may return the animal and your adoption fee will be refunded.

Safe Haven Humane Society is a non-profit organization operating totally from charitable contributions from individuals and businesses in the community. Our adoption fees do not cover the costs of caring for and sheltering the animal you want to adopt.
